Happy 40th Anniversary

40 Years of Shi Wan Family

1st June 2023 is BCSW's 40th anniversary!

To celebrate, let's ask some students to share their favourite things about our lovely school.

What is your favourite memory at BCSW?

My favourite memory is when I was a worker for Shi Wan Cinema on **English Experience Day** in P5. It is special to me because it was my first time to help in an event. My job was to sell tickets and popcorn to the students. I felt a little scared, but after the first class of students, I wasn't scared any more. I think I did a pretty good job.

Aiden, 6A

My favourite memory at BCSW was the **Chinese New Year celebration!**

I wore my favourite dress, played games and got a lot of red packets.

Simon, 5A

Christy, 4C

My favourite memory is **Sports Day!** I joined the shot put competition and won first place! It is my first time to join and it was very challenging. While it was tiring, it was so exciting! I hope my classmates can join and win next time too!

I also loved the **Chinese New Year Celebration.** We wore traditional Chinese clothes and played lots of games. It was a memorable day for me and my friends!

Jimmy, 3D

Which teacher makes BCSW a better place?

Kelly, 6D

Karlie, 1C

My favourite teacher is **Mr. Yip**. I like him because he is helpful and responsible. He always helps me patiently when I don't know what to do or when I am confused. Sometimes I think 'I can't do it!' but Mr. Yip tells me to try even if I don't think I can do well. I really thank him for teaching me how to do better.

I love all my English NETs - **Miss Raji, Miss Elaine, Miss Catherine and Mr. Stephen**. They can teach me more words and I can play English games with them at recess.

My favourite teacher is **Miss Wong** because she celebrated my birthday in class! She is very thoughtful and caring and it made me so happy to receive gifts and birthday cake. It was a very special day for me, thank you Miss Wong!

My favourite teacher is **Miss Cheng**. She is my English teacher. I love her lessons because she is kind and helpful. Whenever I don't understand something, she always helps me. She is funny and I hope she will be my English teacher next year too!

Jemma, 4D

Chloe, 5B

My favourite teacher is **Mr. Chan**. He is my P.E. teacher. He is so funny and helpful. I enjoy his lessons because every lesson is fun. He is very kind and he never gets angry at us.

Jimmy, 5A

Where is your favourite place in the school?

Angela, 6B

My favourite place in the school is **my classroom** because it is full of joy and memories. At recess, a lot of classmates can chat and play happily. But when we have a lesson, we listen to the teacher carefully and we gain a lot of knowledge.

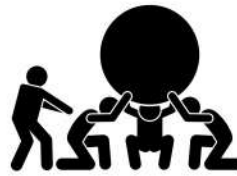

Vincci, 5B

My favourite place in Shi Wan Family is the **library**. It is very big and spacious! I can read many different books in English or Chinese.

My favourite books are English comic books because they are fun to look at and I can learn a lot of new words and ideas.

Dear, 4A

My favourite place at BCSW is the **playground!** This is my favourite place because I enjoy participating in sports such as kinball, volleyball, and basketball! I always feel happy when I play on my sports teams.

My favourite place in school is the **English room** because the room is so colourful. There are lots of games and we enjoy playing there. The teachers are so kind and always play with us too!

Nami, 2A

**YOU'RE
THE BEST!**

I wish for our school to continue sharing students' achievements. I also hope for everyone to inspire others in and out of school.

Miss Catherine

Shi Wan family students are so well behaved and enjoy English lesson time with the NETs. I wish the school gains more and more happy and successful students in the years to come.

Miss Raji

**MAKE A

I wish that our school will always be a happy place where students can learn and gain confidence in speaking English!

Miss Elaine

BCSW is a special place to embrace our passions. My wish is that everyone continues to try their best and study hard!
